WHAT'S THE LATEST

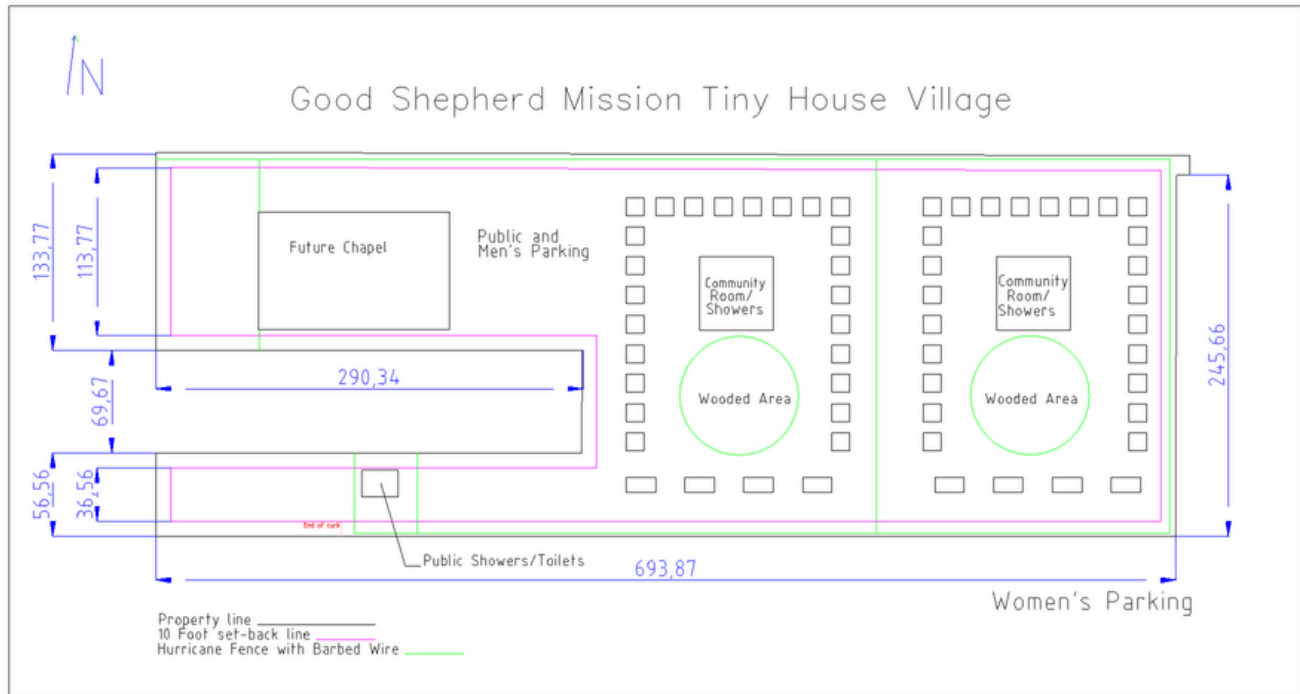

Hello friends, We wanted to take the time to update everyone on the latest happenings at the Mission. UM Army youth group and Zealhouse Church worked on separate days to paint the Mission (pictured below with the trim painting needing to be complete). Zealhouse also rebuilt the emergency staircase on the north-side of the main building.

It is due to the work and partnerships in Walker county that we can continue to provide the services to the least of these.

PLANNING FOR THE FUTURE

We met with the City of Huntsville in June to start the planning phase of the Tiny House Village. These transitional houses will provide another, needed layer of service to the homeless.
